WHO ARE WE?

Adler Arms was established in 2007 by the Tarip family, one of the most experienced families in the shotgun sector. Drawing on the knowledge and expertise of the 1960s, Adler Arms has become a key player in the industry, continually growing with the principles of quality and innovation. Under the leadership of the Tarip family, the company has brought together a professional team dedicated to excellence in every product..

Through groundbreaking developments like the introduction of the lever-action shotgun, Adler Arms has not only proven itself in the world of firearms but also gained recognition and appreciation from business partners in numerous countries. Exporting products globally, Adler Arms continues to build a strong reputation as a leading firearms manufacturer.

With a commitment to maintaining and advancing its success, Adler Arms strives to uphold the principles of experience and continuous innovation. The company serves its customers with a wide range of shotguns, including lever-action, semi-automatic, pump, magazine-fed, and single-barrel models.

Akdal Arms is a brand of Adler Arms. Akdal Arms operates in the United States of America.

OUR VISION

We aim to become a global leader in the firearms industry by embracing dynamism, originality, and quality. By continuously innovating and adapting to the changing market, we strive to deliver the best solutions to both domestic and international sectors. Our vision is to maintain strong collaborations with our customers and partners, offering products that enhance their success and experience.

OUR MISSION

Our mission is to produce high-quality, innovative shotguns that meet the evolving needs of our customers worldwide. We are dedicated to creating reliable, efficient, and well-crafted firearms that exceed industry standards, while fostering long-term relationships built on trust and satisfaction.

NOTES

This image shows a full page of handwriting practice paper. It features multiple sets of three horizontal dashed lines, each set consisting of a top solid line, a middle dashed line, and a bottom solid line. These lines are evenly spaced across the entire page to guide letter height and placement. The background is plain white, and there are no margins or additional markings.
